Landsberg, den 04.12.2025

Dear Mr Klotz,

I am pleased to confirm that CONIUNCTA GmbH, Liebigstr. 14, 85757 Karlsfeld, at the production site located in

Nürnberg

operates its quality and food safety management system on the basis of the existing internal control concept in accordance with the principles of HACCP (Hazard Analysis and Critical Control Points) and in compliance with the requirements of the International Featured Standards (IFS).

The IFS is a standard recognized by the Global Food Safety Initiative (GFSI) for ensuring food safety and quality. The corresponding requirements are implemented in a manner appropriate to the size of the company and are continuously further developed as part of the internal processes.

This confirmation is issued to the best of my knowledge and belief on the basis of the available documentation and the procedures implemented in the company.

Best regards
